True World Marine

In 1980 a new boat company was born under the banner of Master Marine in response to a challenge. New England fishermen needed a specialized craft to pursue giant blue fin tuna.

The design criteria were curious: able to subdue 1,000 pound fish, manageable by a two-man crew, narrow-beam for trailering, seaworthy, stable, and tough as nails!

True World Marine builds boats from 28' to 32'
